

Japan Seminar on Technology for Sustainability

JSTS

JSTS 2020 and ISTS 2020 were cancelled.

2020

CALL FOR PARTICIPATION

21th - 26th JUNE 2020

Iwaki, Fukushima, Japan

Abstract : The main objective of the seminar is to improve the students' global communication skills and the abilities required of future global leaders in the diverse society through group workshops and various exchange activities based on SDGs. The students will learn the basics of SDGs with JSTS2020, while they will apply the framework of SDGs learned at JSTS2020 to work on solving social problems.

*ISTS2020, will be held in Taiwan in September 2020, is related event to JSTS2020. The participants are encouraged to attend ISTS2020 continuously to extend their skills obtained at JSTS2020. Enrollment produce will be announced by National United University, Taiwan.
